to our partner charities:

3,411

TRENDS

- 80% of those we serve have at least 1 child, senior citizen or person with a disability in their home
- The price of food keeps rising. For example, tuna is 12.8% higher and spaghetti is 31% more than last year

- We distribute 25,000 meals every day
- An estimated 1 in 8 SNAP recipients could lose or see reduced benefits from recent cuts

92% of all food Second Harvest distributes goes to partner charities at no cost. Money saved can be used for other expenses and programming.
